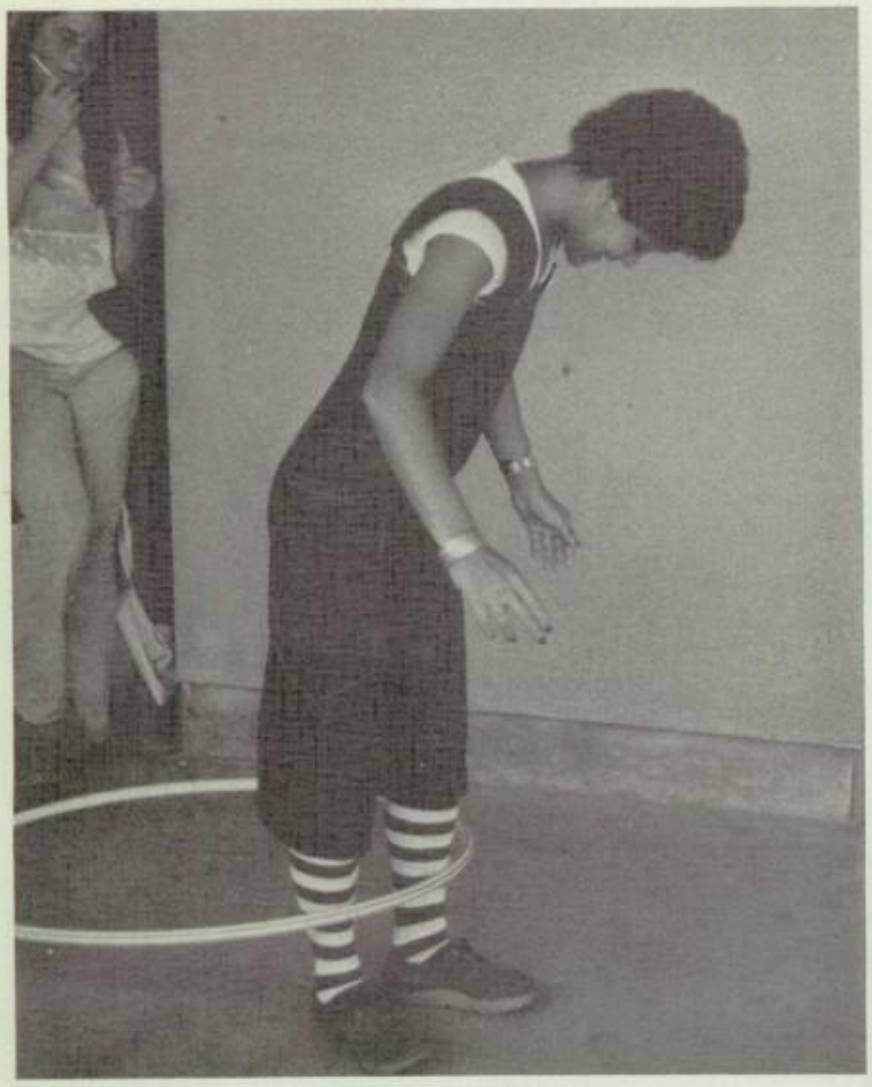
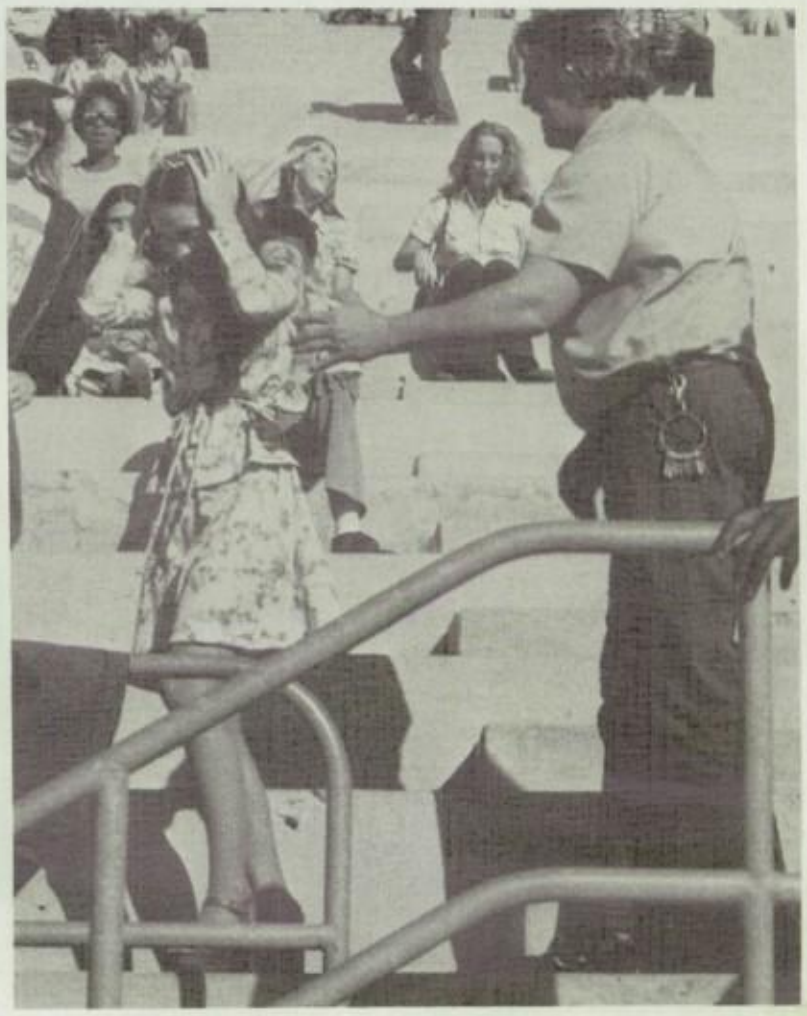
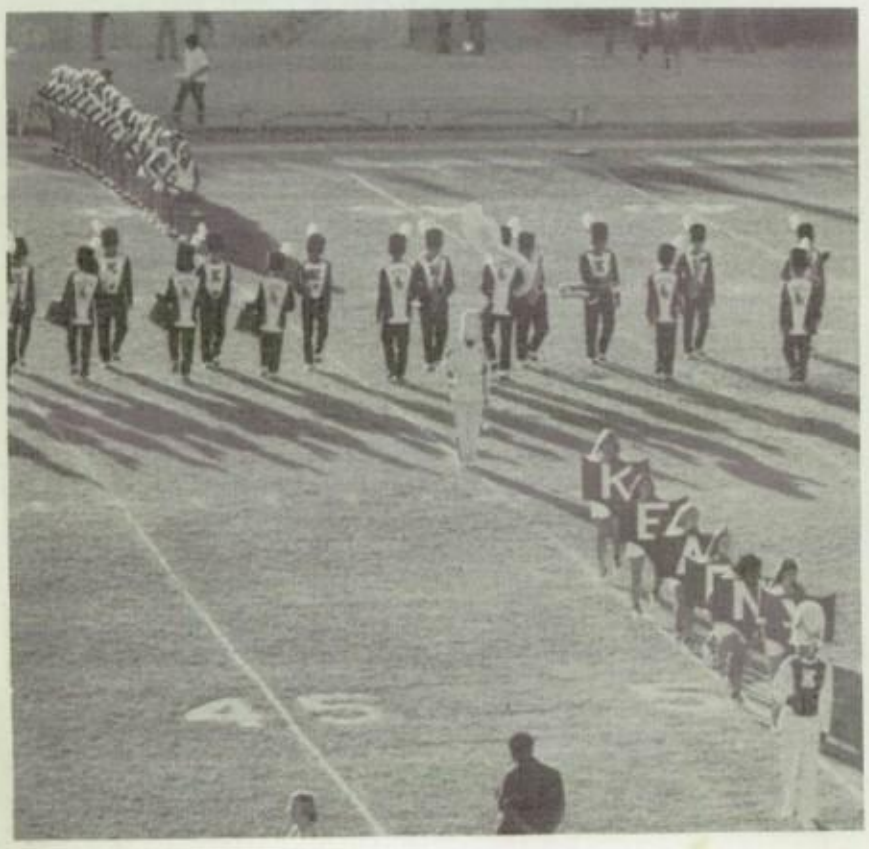
Spirit Week
November 1-5







"Mr. Cool" started out Spirit Week with Mark Chevalier and Linda McGibny as the winners of this first activity. But that was only the beginning! Justin Starren bought Debe Lawlers legs with the highest bid of $5.00 at the leg auction which had a great turnout. The Hoola Hoop contest ended Spirit Weeks activities with a twist. The contestants competed to see who could hold up their hoops the longest, some succeeded, some tried, but all in all Spirit Week was a lot of fun and everyone enjoyed it!

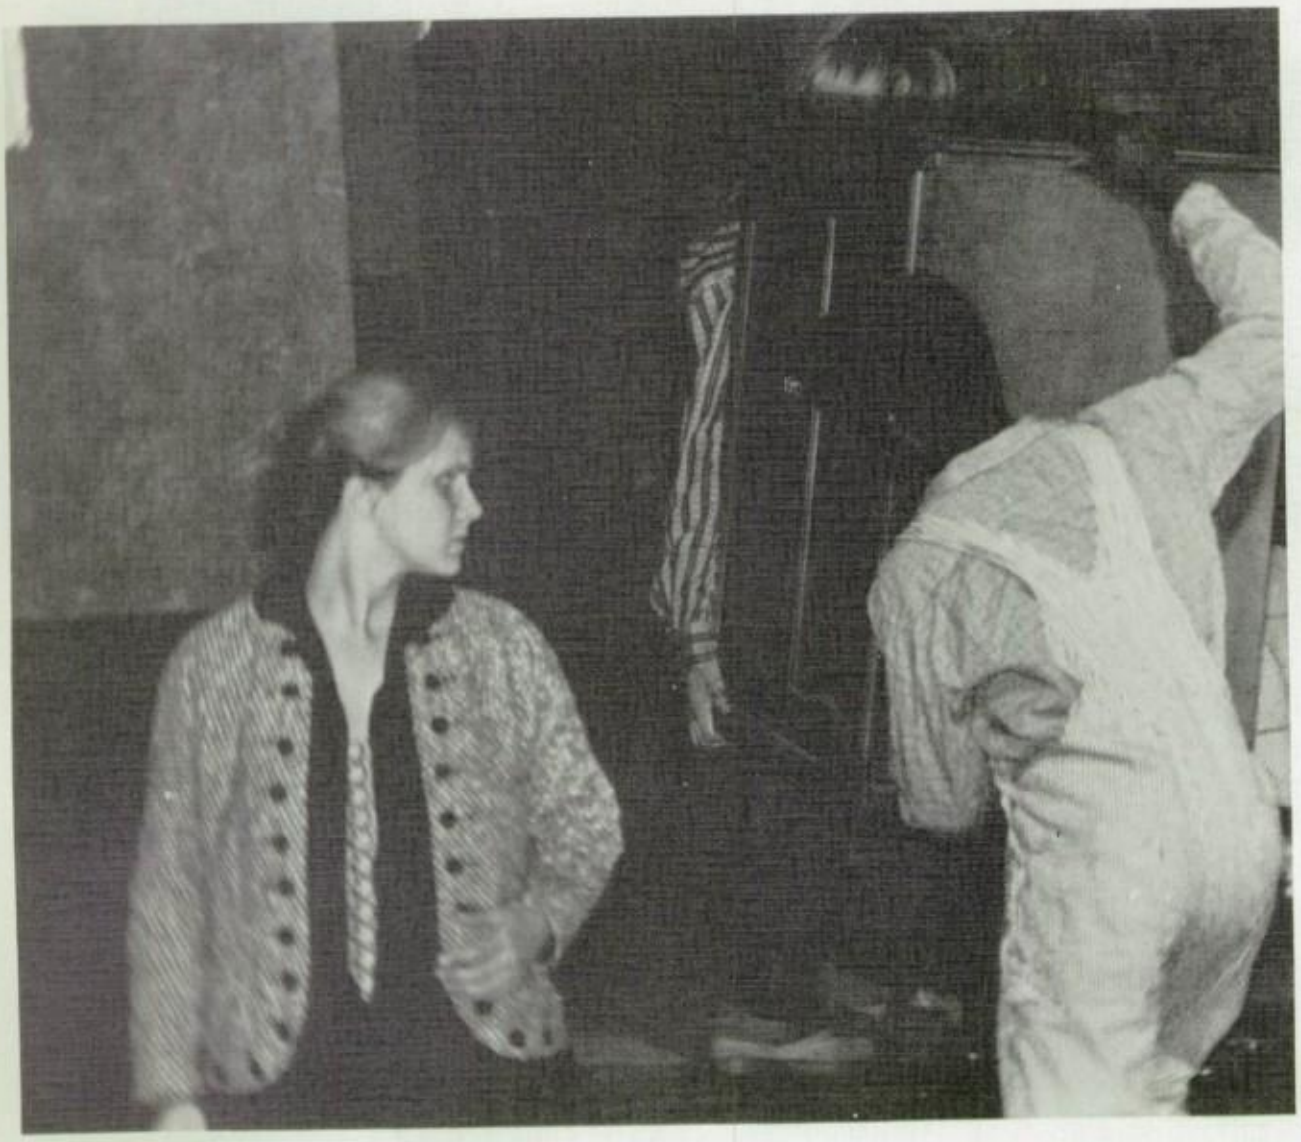
Juno And The Paycock



The Climax of the Show

The Drama Departments first production was "Juno and the Paycock". It was a difficult job for the actors and actresses because they had to have the talent to carry an Irish accent throughout the entire play. This was one of the Drama Departments most challenging productions and they performed it beautifully.

J.V. Cheer Spirit Lets Hear It!

The 76-77 Junior Varsity Cheerleaders were a very active group. Along with their normal functions such as cheering j.v. football, and basketball games, Debbie Barnes and Cheri Montano were also involved on the gymnastics team.

Debbie, Sue, Cheri, and Luana were this years j.v. cheerleaders, they did an excellent job and should be proud of themselves. The Junior Varsity teams were winners and the cheerleaders let them know it with their spirit.

Left to Right: Debbie Barnes, Cheri Montano, Sue Blaisdell, and Luana Pena.

Varsity Cheer Our Spirit Is Sky High

From football to basketball to girls sports, the Varsity Cheerleaders really outdid themselves. They may not have actually done cheers for certain teams but it isn't easy to cheer for a few of the sports like tennis, but they made cupcakes for the team and watched the teams play, so that the teams knew the spirit of Kearny was behind them. This year the girls cheered for more of the sports than ever before. The cheerleaders went to cheerleading camp over the summer and brought back new ideas and cheers. They feel that bringing in new cheers will break the monotony of having the same cheers every year.

Debi Lawler the Head Cheerleader, did a fantastic job of bringing these girls together to form one of the best cheering squads in recent years. Another important person on the squad is John Vigil, the team mascot. They all prove that at Kearny-Our spirit is sky high!

Komet Gridders Co-champs In New Eastern League

Coach Birt Slater and his Komet "Grid Gang" were up to their old tricks of claiming league titles again. The Komets, however, weren't the best in the West. Instead, Slater and Company were tops in the newly-formed Eastern League. This league contained some of the strongest rivals in the city, including three of the "Top Ten:" Patrick Henry, Morse, and Madison. Losing only to the Morse Tigers in mid-season, the Komets compiled an 8-1 league record and entered the CIF playoffs tied with Morse for the Eastern League Title.

Slater's wishbone offense, featuring fullback Scott Holland and scatback Eddie Sanchez, proved deadly against Kearny's opponents. The Komet's passing game was equally deadly as their ground attack. Quarterback Jimbo Harris relied on the receiving talents of tight end Bill Bell and split end Mike Ellis to pace the Komets to victory.

Much of the credit for Kearny's successful season depended on the "workhorses" of the team; the offensive and defensive lines. Offensive tackles Chuck Hanna and Clint Helenihi had fine seasons, as did guards Chuck Bradford and Roger Enloe. Defensively, the Komets were impenetrable, thanks to the efforts of middle guard Joe Najera and tackles Louis Mota and John Beam.

Quarterback Jimbo Harris successfully unloads a pass despite the efforts of a pursuing Chief.

Talented Komets Join Eastern League

Thrown into a tough new Eastern League, the 1976 Football Season looked to be and was a tough battle for the Komets, but Kearny answered the call with one of the most talented teams in the county. The Komet backfield is overflowing with talent. Starting at Quarterback Kearny has one of the finest returning QB's in the county in Jimbo Harris. Backing up Harris is Tui Peleti another highly talented QB. At the fullback slot Kearny answers with Scott Holland, who last year was well on his way to a 1,000 yard season when he was sidelined with a leg injury. At halfback the Komets have two returning senior lettermen in Eddie Sanchez and Kenny "Mini Mac" Matheson. Speedy Sanchez is a game breaker. Any time Eddie gets around end he's a threat to score. Matheson on the other hand is a utility man who can run effectively inside and out. With three talented backs like Eddie, Kenny, and Scott most teams would be satisfied, not Kearny. The Komets add skilled backs Tony Ford, Stan "Jeep" Holmes, and offense/defense man Paul Berg to make it one of the most potent backfields in the county. The Komets don't lack pass receivers either, with Bill Bell, possibly the best tight end in the county, and wide receiver Mike Ellis' sure hands and swift feet, give the Komets an extremely potent pass offense.

One of the keys to a good running or passing offense is the offensive line, and Kearny has one of the best. Starting with '75 All Western League Center Tim Ellis, the line is tough at every position. The offensive line is a bunch of guys who do most of the work and get little of the glory. But everytime a pass is completed or there's a good run it's the offensive line which provides the protection or opens the holes, and Kearny knows how to do both. All returning Senior Lettermen, the O-Line consists of LT Charlie Hanna, LG Chuck Bradford, C Tim Ellis, RG Joe Najera, RT Clint Helenihi.

To compliment the offensive line Kearny has an excellent defensive line and secondary. They are as follows: DE Nathan Cross, DT Luis Mota, NG Joe Najera, DT John Beam, DE Benny Dents, LB Paul Berg, LB Jimmie Phillips, LB Wayne Cross, and pass defenders: Mark Anderson, Ricky Spencer, Mike Ellis, and Melvin Shelly. With this talented bunch the Eastern League better watch out for its new arrival.

With the departure of Don Wadsworth from the Kearny Aquatics scene in 1976, the need came for a new swim coach, so along came Tony Griswold. A physical educaton major out of San Diego State University. Griswold is probably most known in the world of track and field. He holds the third longest Javelin throw in the History of S.D.S.U. but "GRIZ" is no stranger to the world of Aquatics. At the ages of 9 and 10 he swam A.A.U., he's taught swim lessons, and was a beach guard for three years (69-71). As an all around athlete he's known for winning the highlander's superstar championship last year.

Tennis Smashing Success

The Girls Tennis Team has made some outstanding progress over the last few years, especially with the new Eastern League starting this year. The team started out by beating Madison, 10-6, the first time ever that the girls have done this. They went on to finish fifth in the league, the best they've ever done. It is a young team with mostly sophomores and juniors in the top positions. Miss Addona, an excellent coach, along with a good bunch of girls has made this the best tennis team ever. In the past three years Kearny's team has come up in standings, and hopefully they will continue to rise in coming years.

Junior Varsity Gridders Face New League, New Coaching Staff

For Kearny's Junior Varsity Football Team, it was a new league with new coaches, but, unfortunately, not the good old results.

With the transfer of Coach Brad Griffith to Mira Mesa last year, the J.V. gridders were under new direction for the '76 season. Taking over the head coaching duties was defensive line coordinator, Phil Covington. He was assisted by Joe Thunder (offensive line), Dan Armstrong (backfield), Foot Michel (receivers), and Ed Shoen (defense). "I think they all did a fine job," noted Covington in regard to his staff.

Considering that all except Covington were new to the job and that Kearny was in the new, tougher Eastern League, the Komet mentors did, indeed, accomplish a lot. The Maroon and White finished the season with a respectable 6-3 record, losing the Eastern Title by only ½ game. "With a few breaks, we should've been 8-1," suggested assistant coach Thunder.

Coach Covington talked about the fine individual talent of his J.V. squad. The Komet coach mentioned quarterback Steve Dreher, tailback Rodney Fowler, linebacker Kyle Conner, and wide receiver Darryl Stokes. Covington also gave credit to safties Anton Jefferson and Darryl Moses, and to defensive end Ron Kirkpatrick.

Covington and his staff look forward to a better season next year.

Spikers Take Eastern League Title

If there is one good explanation for Varsity Volleyball's outstanding record, it is probably due to their precise functioning as a team. Much of their success can be attributed to a new, offhand hitting formation, which they added to their strategy at the beginning of the year. Their coach, Mrs. Cole, has assisted greatly in coordinating the team, formulating lineups, and devising game strategy.

With three games left and a 12-0 record behind them, they easily clinched the Eastern League Title. Although they didn't place in the Poway or Metro tournaments, they still emerged with a respectable 13-5 overall record.

Forming the backbone of the starting lineup were seniors Sally Fellows, Wendy Tompkins, Therese White, Janice Yip, and juniors Susan Johnston and Donna Reid. Anchoring the back row, Therese White and Janice Yip made most of the sets, while Wendy Tompkins assisted with some outstanding spikes.

Girls JV Basketball Shoots For The Win

Girls J. V. Basketball had the form that would lead to a really good season. Playing a zone defense, the team was tight and tough to pass through. Their quick offense made them able to score.

Usually starting in a game were, Laura Pephens, a junior, at center. Playing guards were sophomore Diane Dougherty and junior Kim Ankeney, with sophomores Lori Urbanek and Laura Tamkin in at forwards. Although she ran track last year, Laura Pephens, the tallest on J. V. was a good shooter and was usually there for the rebounds. Kim Ankeney, the only returning player, played well at either forward or guard. Her ability to shoot from the edge of the key and easy handling of the ball made her an asset to the team.

Pre-season play wasn't the greatest but with this team, Girls J. V. Basketball had a good season ahead of them.

Cross Country Unstoppable

German Cervantes held on to a slim lead over a pursuing Henry runner.

VARSITY FRONT ROW: Mark Focareta, Ricardo Perez, Jeff Hagewood, Bob Fraser. BACK ROW: Dan Ponce, Bill Clabby, Alan Blair, Jorge Quiroz, Coach Richard Cota.

Under the skillful direction of Coach Rich Cota, Kearny Cross Country compiled an impressive 8-1 league record. The Komets, placing second in overall league standings, rolled up a second place finish in the Aztec Invitational and a fifth place in the South Bay Invitational.

The dedicated runners averaged from eight to twelve miles an afternoon. Some of the runners managed to run an extra four miles during first period. Since Mr. Cota's arrival to Kearny in 1973, the cross country team has emerged from meager standings to C.I.F. contenders, which they have been for the past two years.

Although there are only twenty-eight members on the team, less than in previous years, the overall quality has improved greatly. The varsity team, with seniors Alan Blair, Bob Fraser, and Jorge Quiroz, promises to be exceptionally strong next year, with the return of juniors Ricardo Perez, Mark Focareta, Bill Clabby, Jeff Hagewood, and sophomore Dan Ponce.

Ricky Perez, the team's most outstanding runner, has consistently finished first in league and non-league competition. As a sophomore, he ran a 4:19.2 mile and led the CC'ers to a 9-0 league record.

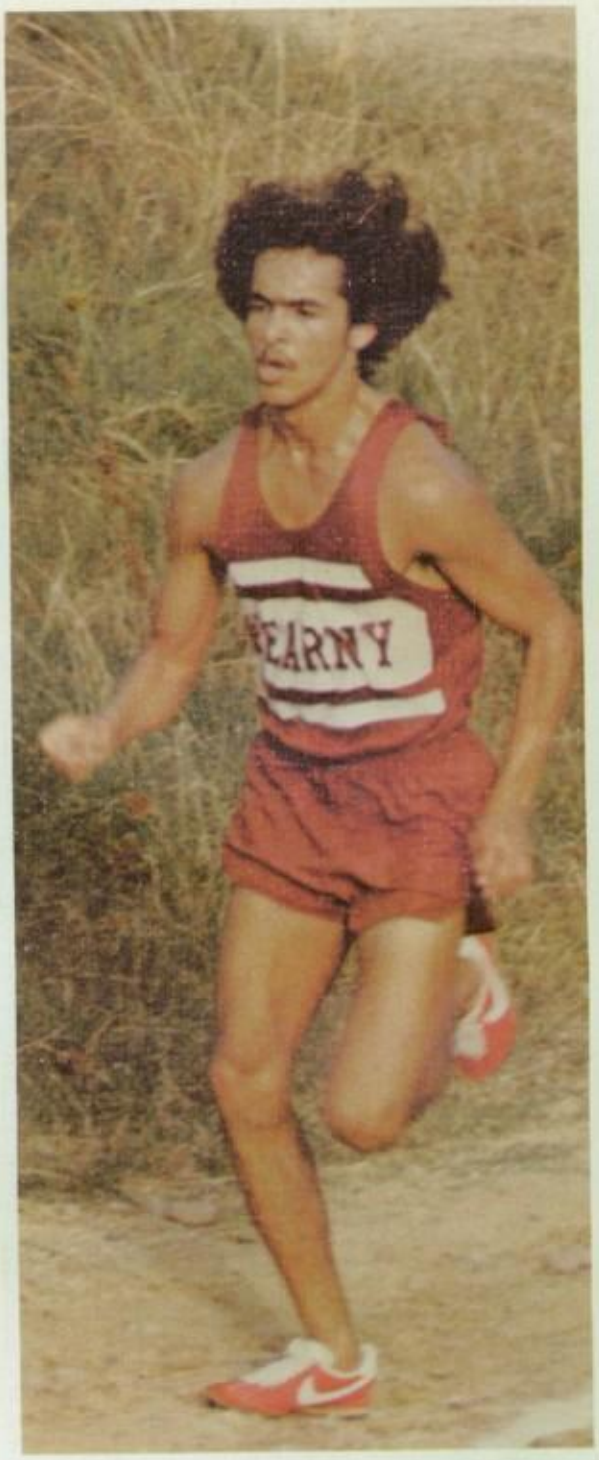
Karl Kimmey tried in vain to catch the fleeting Ron Beck.

To Art Deich, endurance was the key to victory.

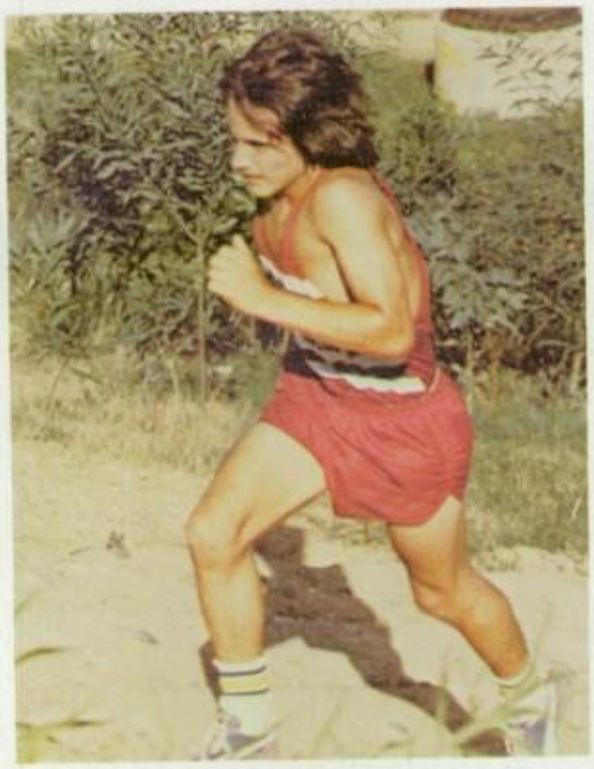
Coach Cota contemplated on the possible outcome of the Kearny vs Henry meet.

Bill Clabby's intense concentration was evident during the last leg of the race.

After breaking away from the pack, Bob Fraser found himself in the clear.



Ricardo Perez, in the lead and on his way to another first place finish.



Knowing the finish line was only two-hundred yards ahead, Jeff Hagewood ran with even more determination.

Jorge "Speedy" Quiroz found that going down the hills was the easiest part of the course.

Concentrating only on the race, all else was a blur to Adrienna Hernandez.

Margaret Ball epitomized the persistence of a cross country runner.

The Komets started out the 76-77 Basketball season with some heavy burdens. But following their opening 92-61 rout of Poway. There seemed to be little doubt that they could handle it. To start out with, they were thrown into the tough new Eastern League with old eastern league power; Patrick Henry and their past rivals from Western League Madison High with high scoring Mitchell Lilly. To add to that, they had the pressures of being defending C.I.F. champs. In addition during pre-season practice starting forward forward Gary Trousdale hyper-extended his knee and no one knew how long he'd be out.

Then the season started, with Bill Bell still playing football, Steve Gardner started at forward, for Trousdale, and then things started going right. Bob Bartholomew was playing better than ever, many ranked him as the best player in the county. Gardner was playing excellent. John Baumgardner at the other forward was also doing an exceptional job. The only untested quantity on the team were the guards, Randy Bruno and Jim Brownwood, they turned out to be more than was expected. Brownwood, basically a defensive player was improving in every game. Randy Bruno, possibly the best ball handler playing high school ball became the teams playmaker, as well as excelling on defense, Bruno started on a path aimed for Alan Trammels' one year assist record. By breaking Alan's record for a single game, with 15 against Hoover.

The Komets first big test was the Kiwanis Tournament, and they passed with flying colors defeating Mongomery, Grossment, third ranked Patrick Henry, and previously first ranked Helix.

J.V. Cagers Dunk It Deeper

Although the J.V. basketball games sometimes don't seem as important as those of Varsity, they are! Many of this years players on J.V. will make up next years Varsity team. Playing on J.V. is good experience for the players. The games these guys play are important to them because no one likes to lose. The J.V. team proved this by winning their first Eastern League game against their rivals at Madison. The score in that game was 68-61. Their second game against Patrick Henry was close, but the patriots came out ahead by one point. It was a hard game to lose, but the J.V. cagers bounced back and really beat San Diego, 96-53. They continued with this kind of determination for the rest of the season. Coach Mottershaw put in a lot of time and effort with these boys and it really shows when they go on the court.

Varsity Gymnastics Flips Over Wins!

Sometimes when you have a good team in one sport it has something to do with the outcome of another. So whenever basketball goes into CIF, gymnastics suffers. Due to this bad start, varsity lost it's first two meets against Henry and Madison. They came back to win their next meet against San Diego and had a good chance of winning the rest of the season.

Helping to win for our team was returning junior Kathy Fujimoto who went to CIF last year and placed third in the floor exercises. Kathy does all four events, floor, balance beam, uneven bars and the vault. Out of the possible ten, Kathy receives scores of seven, which is good for high school gymnastics. Unfortunately, Kathy was injured on the bars at the Henry meet and was going to be out the rest of the season.

Even though we lost Kathy early in the season, we still had Terri Knoell. As a sophomore, Terri was scoring 25-30 points a meet all by herself. Doing optional routines in all four events, Terri helped our team do it's best.

J. V. Gymnastics Vault Into Action!

Winning most of their meets and scoring high was what J. V. Gymnastics did a lot of.

Sophomore Chris Anderson does complusory routines in all events and at the beginning of the season received scores of fives and sixes. By the end of the season she was doing even better. She'll go to varsity next year.

Rita Webster, a junior, was doing most of the events at the beginning of the season and would probably go all around at the end.

With so many good gymnasts, J. V. was sure to have a great season.

Komets Invade Eastern League

Varsity Baseball proved to be a very exciting year for both Coach Taylor and the Komet fans of 1977. Returning varsity players were Charlie Hanna, Tom Pekny, Tim Ellis, Cory Clark, and Mark Gleason. JV Baseball Coach Predicts Good Season

"They're a sophisticated group and have a winning attitude," boasted JV baseball coach Hugh McMillan. "I'm strong at each position and have depth in each. What one guy didn't do, the other guy would pick him up...that's the kind of team we have."

Commenting on the season ahead, with 14 league games to go and a 3-2 loss to University behind them, the veteran Kearny coach also felt that the Eastern League pennant was well within reach. "I'm excited about it," he noted. "Based on what I've had in the past, I would think that we could win it."

High hopes, yes. But certainly justifiable ones.

Girl Cagers Jump Into Action

The Girls Varsity Basketball Team, although it has only two returning seniors, Janice Yip and Sally Fellows, is a strong contender for a league championship. Other returning varsity players are Darcy Carter and Sue Little. More of the team include Laurie Sterger, Cathy Branigan, Nanette Torpey, Tony Dixon, Stephanie Plein, and Maureen Schlentz. Coach Mottershaw really makes the girls workout a lot and it shows on the court. In scrimmage play they beat Coronado and Mt. Carmel, while their first game was a disappointing loss to last years CIF champions, the Helix Highlanders, but they came right back and won their first league meet against Madison 35-33. Laurie Sterger made the winning basket. After losing to Pt. Henry by four points, the team crushed San Diego 40-16. It looks like this is the year for girls basketball at Kearny and these girls are out to prove it.

Mad Mean Menacing Matmen

After the season was over, Coach Barnett said, "The team was young and that was our main problem." Maybe the season wasn't too good for the team as a whole, but we still had some of the best wrestlers in the city.

Voted "Most Valuable Player" by his team with a record of 20-1, Larry Wilske was the best on the team. Last year, as a sophomore, Larry was the League Champion and regained the title again this year along with being the City Tournament Champ.

Of the top wrestlers, four were seniors. Second best on the team and team captain was Richard Mion with a record of 14-2. Others were Anthony Torres, Jack Elliot and Chuck Bradford, who when he transferred to Mira Mesa at the end of the semester held a record of 9-1.

Underclassmen Wayne Cross, voted Most Inspirational and sophomore Rodney Fowler, Most Improved, also helped our team try their best.

With most of the team still learning, next year we should be back on top. "Every other year is a good year," stated Coach Barnett, and with a smile he also warns, "Just wait until next year, it will be different."

Boys Smash Opponents

In past years the Boys Tennis Teams have not had as much determination as this years team. Despite the fact that they lost their number one singles player to Mira Mesa High the team is a good choice for a league playoff berth. Last years number two singles player, Phil Kaukonen is now this years number one player and doing very well. The other singles players consist of Murray Rosenberg, Larry Carr, and David Horner. The Doubles teams are Bill Choi-Doug Huntington, Emery Hall-Bruce Orman, and Tom Gills-Ming Pham. They are all doing very good this year and have already shut-out San Diego and Morse, 7-0. They are in second place in the Eastern League thanks to exellent coaching by Coach Covington and a lot of talent on the team.

VARSITY RIFLE: Ed Deslauriers, Justin Starren, Randy Biles, Mike Chaparro.

In this, his first year as instructor for the Kearny rifle team, Colonel Hester produced a varsity team that placed third in the Western League and a junior varsity team that made it to the C.I.F. playoffs and defeated Hoover, El Camino, and Madison to take the C.I.F. title. "I was really pleased with them," he noted. "They fired better than they have in a long time."

By practicing four hours per week, the varsity members were usually able to consistently score in the 220's during competition, while the junior varsity shooters pulled a 200 average. Membership in the girls rifle team, which had dropped in recent years, began to increase again, thanks to the efforts of Colonel Hester.

Girls Trackdown Opponents

In some sports the team does not always do as well as some of its players. This should be taken into consideration with the Girls Track Team. Although they won their first meet against Carlsbad, they soon ran up against tough competition with Madison and Pt. Henry in the Eastern League. Some of the outstanding individuals on the team are Kim Ravenscraft on the hurdles (broke a school record against Carlsbad), Leslie Davenport-880, Paula West-100 yd. dash, Mary Bertch-440 yd. run, Carol Marshall-220, Paula West, Veronica West, Carol Marshall, Janna Elliot--440 yd. relay, Emma O'Neal-shot put. All these girls placed first in the meet against Carlsbad. These girls and the rest of the track team should be proud of their effort and for showing that spirit is alive here at Kearny.

Kearny water polo players racked up their highest finish and best record in Komet history this year. Finishing third, with a 12-6 record, in the tough newly aligned Eastern League. The Komet attack was led by Al Frowiss who set a new school record for goals in a season, breaking the old in an emotion-packed game against Pt. Loma. Frowiss, along with John Frisbee became the first Komets to ever be in the second All-league team. Co-Captain Mike Adair received Honorable mention on the All-Eastern League Team. Co-Captains Mike Adair and John Frisbee both had fine seasons individually, but just as important they kept team morale up during the season.

Mike Frisbee, the only regularly starting junior on the team, also had a good season, shooting 52% on the year. Mike is expected to be the team leader in '77.

Soccer: Perseverance Is The Key

"I think Kearny will be a powerhouse," predicted soccer coach Joe Thunder of his varsity squad. Because soccer is growing in popularity, coach Thunder believes that Kearny will eventually draw the better players from the Mesa Soccer League, a soccer organization with a membership that grew from 60 teams to 800 teams in the last three years.

As for the present year, however, the Komet kickers were less than impressive. They posted a mid-season mark of 2-4-1, placing them fourth in the Eastern League. Coach Thunder was displeased with his team's performance. He noted, "They haven't done as well as we expected." He stated that his Komets had had problems with their midfield formation.

As a whole, however, the players on the varsity squad were well matched. "It's one of the best teams I've coached," praised Thunder.

Kevin Gunning hurled the discus 138' 8", 10 feet short of the school record. Shot putting for the Komets was Mark Martinez, Clint Helenihi, and Victor Rather.

Keep Those Skirts Flying!

Field Hockey is a sport where skirts really do fly. It is fast-moving and exciting. The girls who play have to have both speed and stamina, because they are running all the time. Of course it is mostly a defensive game and therefore it is not a high-scoring game. Sometimes neither team scores. When this happens one team wins by minutes of penetration on the other teams 25-yard line. Both J.V. and Varsity did very well this year, and may even have a chance at an Eastern League title. The Varsity team was coached by Miss Rentfrow, and the J.V. was helped by Greta Larson.

Batter Up!

Softball as you may or may not know is very similar to baseball. The only difference is here the girls play softball and the boys play baseball. The girls on softball do all the same things as the boys do on baseball like sliding, pitching curves, sliders, and fast balls. Hitting home runs too. The Varsity plays at the Serra Mesa Bobby Sox Field and are coached by Mrs. Cole, while the J.V. play on the upper field and are coached by Mrs. Dahms.

Swimmers Stroke It

The 1976 girls swim team had their best season ever. The three top swimmers were Jane Overway, Laura Pephens, and Laurie Sterger, all juniors who will be returning next year to lead the team to a better season. J.V. came in 2nd behind Patrick Henry in C.I.F. Finals. We expect to have a super strong Varsity and J.V. team next year, with the excellent coaching by Mrs. Kohr and Mrs. McGregor.

Recognition Is Lettergirl Keynote

Comprised of girls who have earned a combination of varsity and junior varsity letters, the letter girls club was established to honor the girls and enable them to plan their own group recreation. Also, it strives to achieve equal recognition with boy's athletics in terms of needed equipment and facilities. "With the help and encouragement of our fellow teammates," commented Angie Happle, president, "we shall overcome our handicap." Although funding for girl's athletics has increased over past years, it still falls short of equalling the magnitude appropriated for boy's athletics.

Despite their diversified schedules, which made it difficult for all of the club members to meet at regular intervals, they planned a bicycle ride, a picnic, a trip to San Elijo, and speculated about a trip to Disneyland.

FRONT ROW: Cindy Pelletier, Jill Eckes, Rhonda Restad, Janice Yip. BACK ROW: Patty Blas, Sally Fellows, Donna Reid, Wendy Tompkins.

LETTERGIRLS OFFICERS, CLOCKWISE FROM UPPER LEFT: Angie Happle, president; Janice Yip, vice-president; Cindy Pelletier, secretary; Lynn Wyckoff, treasurer.

Senior Class Council

Headed by Karen Germany as the '76-'77 Senior Class President, the Senior Class Council is in charge of deciding important matters such as the cap and gown colors, (which were for the year white for the girls, and maroon for the guys), where the prom is to be held and the band for the prom. They also participated in the homecoming festivities with a float which earned them third place in the B-100 FM "Be True To Your School" contest, and one hundred dollars for the Senior Class. Backing up Karen were Eric Becker, as Senior Class Vice President, Chris Sagabiel, as Secretary, and Lynette Perry, as Treasurer.

Human Relations

Human Relations is a group of students who, as a class aim to make Kearny a better place. By having workshops at lunch and visiting different classes, they work on getting students to be more aware and tolerant of others and themselves.

The Peer Counselers are an important part of Human Relations. This year they have taken on consenting counselees of Mr. Albright as their own. In addition, they help to show students who are new to the school their way around.

DESIDERATA

Go placidly amid the noise & haste, & remember what peace there may be in silence. As far as possible without surrender be on good terms with all persons. Speak your truth quietly & clearly; and listen to others, even the dull & ignorant; they too have their story.* Avoid loud & aggressive persons, they are vexations to the spirit. If you compare yourself with others, you may become vain & bitter, for always there will be greater & lesser persons than yourself. Enjoy your achievements as well as your plans. *Keep interested in your own career, however humble; it is a real possession in the changing fortunes of time. Exercise caution in your business affairs; for the world is full of trickery. But let this not blind you to what virtue there is; many persons strive for high ideals; and everywhere life is full of heroism. * Be yourself. Especially, do not feign affection. Neither be cynical about love; for in the face of all aridity & disenchantment it is perennial as the grass. *Take kindly the counsel of the years, gracefully surrendering the things of youth. Nurture strength of spirit to shield you in sudden misfortune. But do not distress yourself with imaginings. Many fears are born of fatigue & loneliness. Beyond a wholesome discipline, be gentle with yourself.*

You are a child of the universe, no less than the trees & the stars; you have a right to be here. And whether or not it is clear to you, no doubt the universe is unfolding as it should.*

Therefore be at peace with God, whatever you conceive Him to be, and whatever your labors & aspirations, in the noisy confusion of life keep peace with your soul. * With all its sham, drudgery & broken dreams, it is still a beautiful world. Be careful. Strive to be happy. * *

Kampus Kounter

Kearny's student store is run by Kearny's own students, selected by store advisor Mr. Cockrum from his Marketing 1-2 class. The store earns close to $100.00 a day, and sells everything a student needs from pens to paper to gym clothes.

It has many displays throughout the school year highlighting the holidays.

The students that run the store deserve much credit. They handle $7,000 in inventory, and turn over $3,000 to the A.S.B. every school year.

A Time To Cry

Career Center

Staffed by Mr. Cheever, Craig Bartell, Liz Fedewa, and Mrs. Herrman, the services provided by the Career Center are many and varied. The Three main areas are: College Information, Regional Occupational Program, and Work Experience. Mrs. Herrman, a new counselor this year, was in charge of providing information and answering questions regarding college; where to apply, financial aid, and how to go about getting it, scholarships, and where to look to find out more about one's particular area of interest.

Mr. Cheever handled the Work Experience section, and provided the job contact for the community. Work Experience is "on the job training" for which the student earns class credit. It is divided into three categories: exploratory- no wages, similar to apprenticeship; general- the student has a job for which he is receiving pay; and vocational- the student works in their chosen vocation, and earns wages.

R.O.P. Aide Craig Bartell along with Liz Fedewa, helped students find jobs in areas of their specific interest. R.O.P. is occupational training in career areas. Again, the student receives class credit.

The Career Center provided a very necessary service this year, with a well qualified staff, and their efforts together were well appreciated.

Balmy

Of a one
Of a two
Of a more than lonely
  To lay back
  To ceiling your position in the sky
  To itch at various grass kisses on your stomach
and to die your rigid brain

    Where are the flowers
      and here are the flowers
    the pinpoint black on a banana
    touching the crumbling petal of a rose

halfthoughts flowering pretentions
      budding wishes
    and soon the wind casuals your eyes
    and the dropping mistooken for gold
      are swept under the rug.

Fitz

Before

Memories of lonely, bitter times
Times which nearly ended my life
Watching couples hand in hand
Feeling like a foreigner in their lives

Days of endless wandering and wishing
Grasping on to anything nearby
Only to be hurt and scarred in turn
Like a wounded bird, unable to fly

Nights of peaceful yet restless silence
Eternal hours of meaningless thoughts
Listening to songs that the crickets sing
Wondering of the battles they have fought

Yet somehow, for some reason, I held on
Hoping for someone whose love is true
Someone to bring out my real purpose in life
And as you know that someone is you

You've taught me the meaning of love
To everything, however small
I know now, just like I knew then
Life without love, isn't living at all!

Dean

Love his name, love his face
love his kisses and warm embrace
forget his love, that you once knew
remember now there's someone new.

Love the way he held my hand
love the way we made our plans
forget the thing we once said
remember how he has fled

Love when we sang our songs
love him the whole night long
forget the things we use to do
remember now she loves him to

Love him, love him yet today
love him, love him anyway
forget the this I loved you for
remember now he cares no more.

Dee

The person who has money, jewels, cars, and boats
Is considered by some to be rich
But I have something money can't buy
I have a friend
And I am the richest person in the World.

Robin

Misty

Tears do fall freely now,
Now that he is gone.
I feel empty without him,
He was my pride and joy,
My love and sunshine.
I hope he's happier now,
he deserves it.
For he brought happiness
Into my life and I'll always
remember him
He was black as night,
and cuddley as a bear.
He was my very own dog.

Bank America Winners

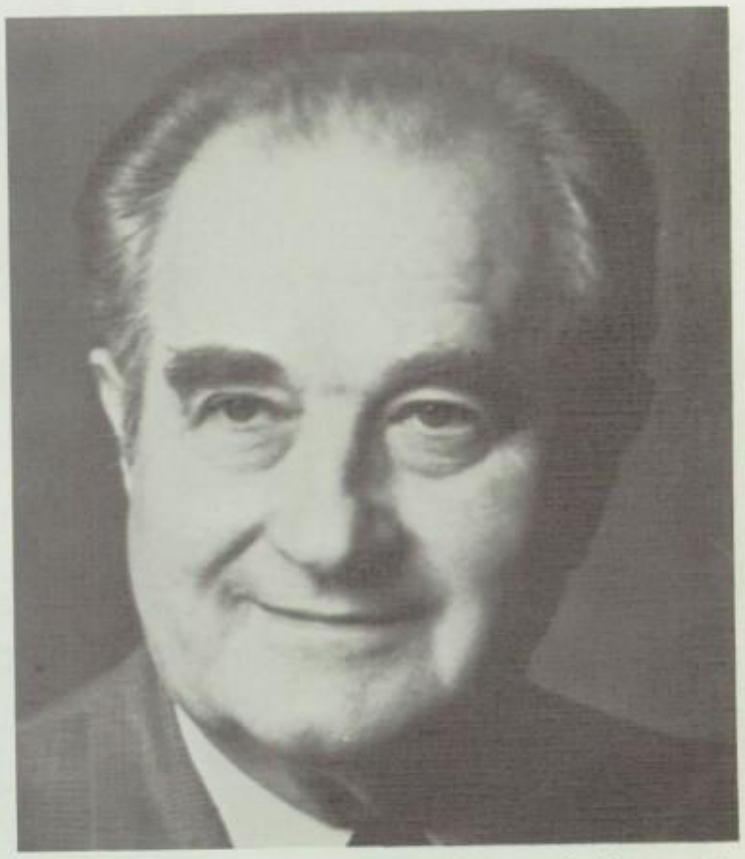
Left to Right: Debbie Cohen, Kevin Gunning, Kathy Fitzpatrick. Not pictured: Justin Starren.

"I couldn't believe I won, it was a real experience and you meet a lot of nice people", as said by Debbie Cohen the 1st place winner from Kearny in the Vocational Arts field.

The Bank America awards are broken into four catagories: Vocational Arts, Liberal Arts, Fine Arts, and Science & Math. Kathy Fitzpatrick won 4th place and $50.00 in Liberal Arts, Justin Starren won 3rd place and $75.00 in Science & Math, Kevin Gunning won 2nd place and $100.00 in Fine Arts, and Debbie Cohen won 1st place and $250.00 in Vocational Arts.

Mr. Harter the chairman for Kearny High has been the head of these awards for 21 years. He will retire knowing that never have all four contestants from Kearny ever placed until this year.

The zone competition was held on March 23 and the finals in which Debbie competed was held May 26. 1st place is $1,000.00, 2nd place is $750, and 3rd entitles you to $500.00



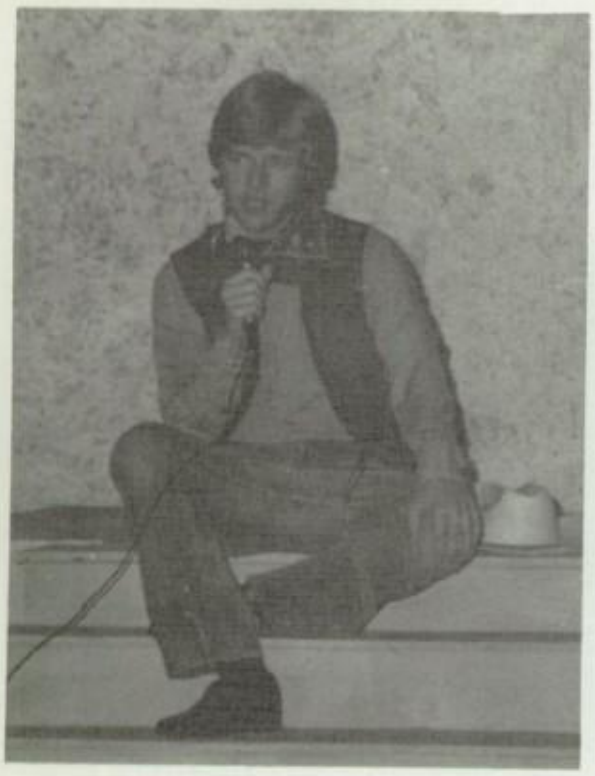
Mr. Harter-Bank America award chairman for Kearny-21 years.

National Merit Finalists

Left to Right: Cathy Kolodinski, Don McManus, Lori Uptegrove. Not Pictured: Justin Starren

The merit program is a nation wide competition which students enter by taking the PSAT/NMSQT. The participants whose scores are in the top 2% in the nation are designated commended students, however those who are the highest scores in each of the 50 states and in other selection units become semi-finalists. Semi-finalsits represent less than 1/2 of 1% of graduating seniors in their respective states.

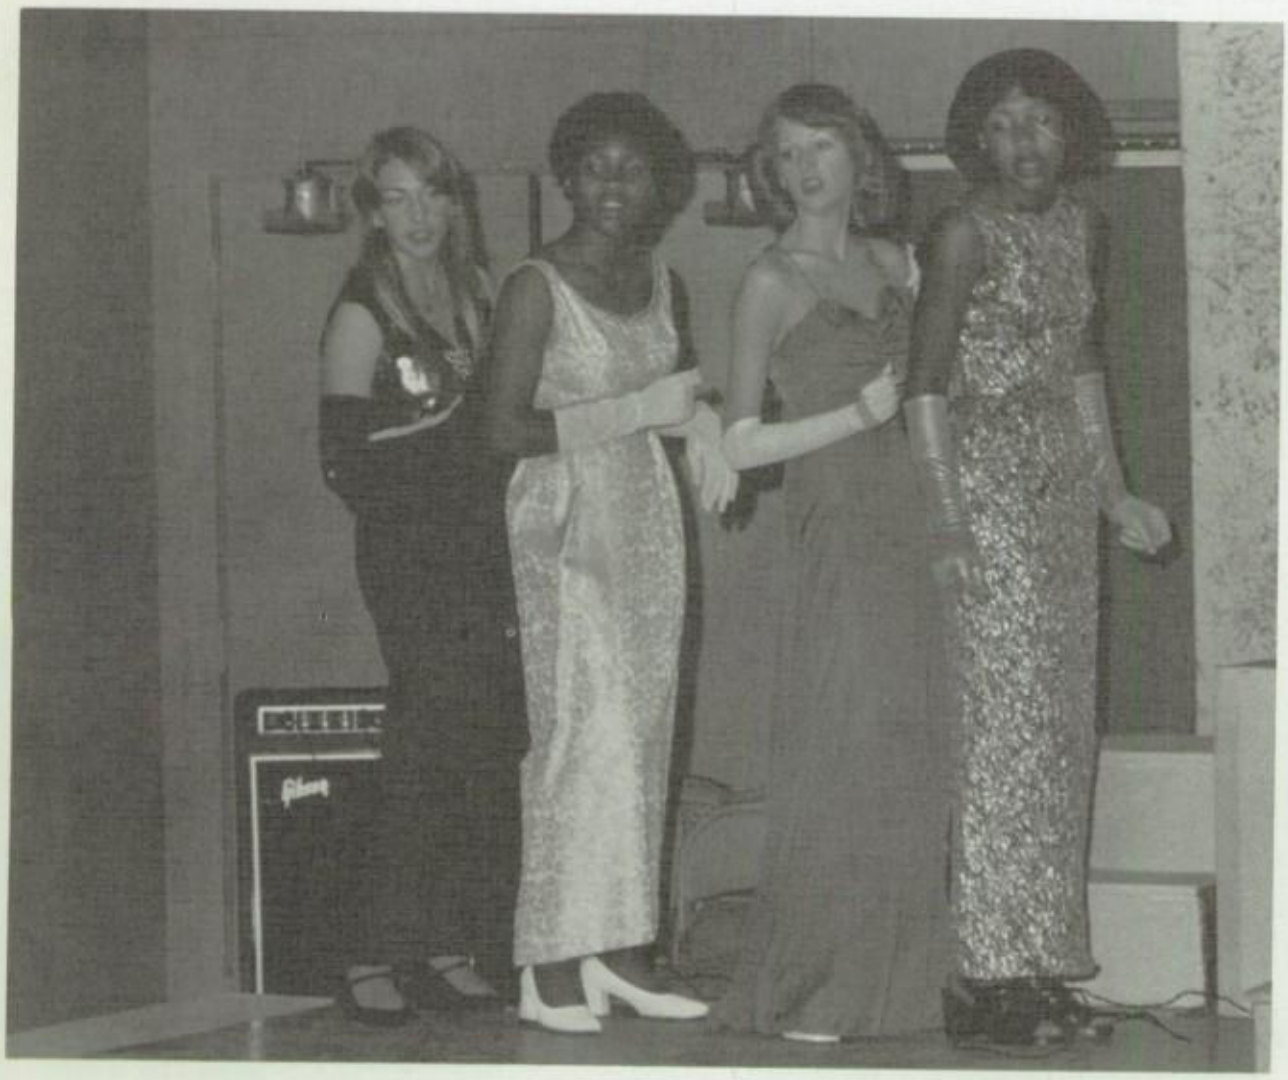
Happy Daze



Randy Rinestine singing "Joey, Joey, Joey."

On February 16,17, and 18, 1977, the Kearny Drama Department presented their annual Supper Theatre Production. Murals by Margaret Berryhill helped set the mood for the ensuing theatrics. The show featured songs and dance routines from the fifties. The performers in the "Happy Daze" production gave a magnificent performance, making this Supper Theatre the best of them all.

Karen Bowmen and men (from left to right) Charlie Booth, Pat Anderson, Ryan Hagger, Ron Jones, Nat Brown, and Jerry Sostre.



Janine Guarnieri, Pretrice Curry, Carole Spies, and Beverly Green performing a "Duke Ellington" number.

Emma O'Neil performs a routine from the musical "Sweet Charity".

Memories- light the corners of my mind. Misty water color memories- of the way we were. Scattered pictures- of the smiles left be-hind, smiles we gave to one another for the way we were. Can it be that it was all so simple then, or has time re-written every line? If we had the chance to do it all again, tell me would we?— Could we?— Memories- may be beautiful, and yet, what's too painful to remember- we simply choose to forget. So it's the laughter we will remember, when ever we remember the way we were; The way we were.

The Sophomores had a thrilling year to look forward to. The Football team was eligible for the CIF playoffs and girls sports were up in the ranks as usual! A lot of good players were Sophomores and Juniors so we'll have a good come back next year. The Class of '79 has many enthusiastic people and have hopes of great years at Kearny High School!!!

Champion Archer

This is Kevin Lee. He's a Junior and maybe you know him. Did you also know that he may be at the 1980 olympics? Kevin is a champion archer. He became interested in archery at the age of ten when his father took him to a tournament. Starting by shooting arrows in a field with his brother, Kevin has placed first in his class in the last two state tournaments he has entered. Competing against the national champion in one of them. Kevin has had help in developing his skill and knowledge of the sport from a five time national champion and member of the Archery Hall of Fame.

In addition to entering the Olympics in 1980, college is also in Kevin's future. Interested in being a P.E. teacher, he has had the opportunity of a scholarship from a college in Colorado.

He lives with his brother and his parents and is an average student. His next tournament is in February and we all wish him the best of luck!!

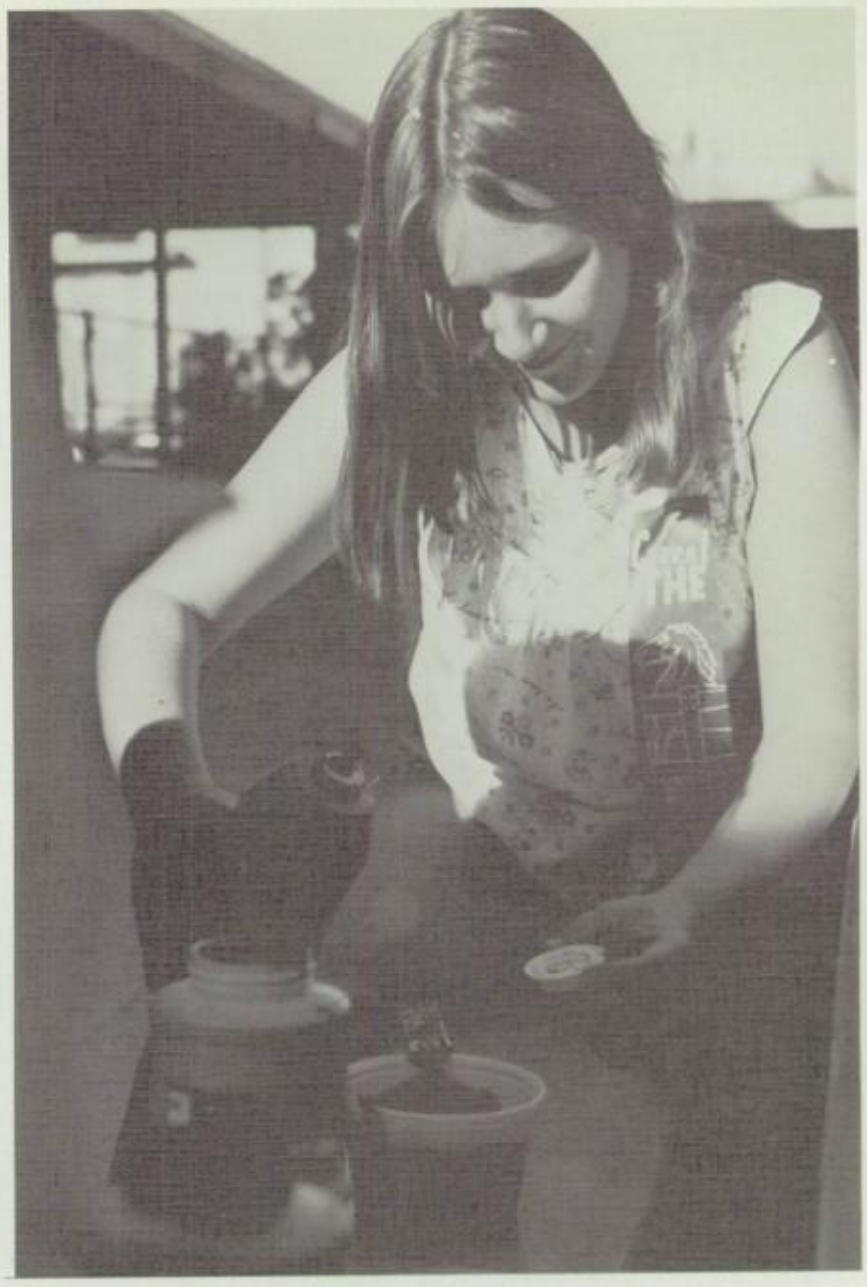
Pep Club Benchwarmers

The Benchwarmers and the Pep Club did a great job showing heir school spirit at the football games. Of course they kept the benches warm, but that's not all they did. Before the games, they painted signs that were used after halftime for the football team to run through. Terri Silva was the President and Linda Uravish was he Vice President. Terri says, "We've had some fun and crazy imes painting signs. I've been in the club for three years, I have hirty-three beat ribbons, and I'm not even through yet."

Everyone pitches in to help get the sign done.



Terri Silva gets the paints ready.

K.H.S. Galaxy

Winning many oustanding awards and being the top in the county is our Galaxy Staff. The writngs of the staff were excellent and they excelled in all directions. Along with good writings, the photography was some of the best anywhere. They have always had a high caliber of photography and writing talent, 1977 being no exception.

The Galaxy advisor was Mr. Brown. "He is the finest high school journalism instructor anywhere and he's always ready to offer sound advise," says Editor in Chief Vance Nichols. The news magazine couldn't be put out without an editor and they have a fine one, Vance, Editor in Chief for almost three years.

A.S.B. Council

The Associated Student Body Council is composed of fourteen elected members and five appointed ones. They worked with the administration to solve student problems that are affecting Kearny's student body and helped to improve student government.

The council meets fifth period to discuss and solve porblems that face students at Kearny. There they plan and vote on school events. A successful sophomore orientation started the year off right and upgraded the school spirit. We had spirit week followed by the annual Homecoming.

Komet '77 Staff

Producing an annual isn't as easy as you might think. Layouts have to be drawn up, pictures have to be scheduled and ordered, copy (this) has to be written, and then when that's all done, the pictures have to be pasted on the final layouts and the copy has to be typed on the copy sheets. Sound complicated? You bet! With the help of Beth Mitchell and Debbie Cohen, our editors-in-chief and Mr. Jones, our advisor the annual somehow gets done. Debbie Cohen and Beth Mitchell have been on the staff for three years and they say, "It takes a lot patience, but its lots of fun. There are times when we have to work on the book in our free time and when the deadlines come around it feels like grand central station, but the finished product is well worth it.

Speech

The Speech Club is open to anyone interested in joining it and provides an excellent opportunity for students to earn recognition and awards for their efforts. The team placed 2nd in the discussion tournament and 3rd in oral interpretation

Winning certificates of excellence were Doug Hun-ngton, Randy Rhinestine, Ryan Haggin, Nat Brown, Robin Swell, Roxanne Hoffert, Dan Whitworth, Ellen Cohen, Margaret Berryhill, and Christi Stiles. Superior awards were given to Lionel Prout Jr., Rita Clinton, Nanon Tygett, Emma O'Neil, Robin Imhof, and Bob Smith. These students having received excellent and superior ratings were eligible to participate in the Master Tournament. The other events that they were engaged in were Debate, Forensics, Acting, and Masters. These events are offered by Local Community Organizations and gave the Kearny student opportunities to master the field of oral communication.

German Club

The German is mostly compiled of German students. They raised money to send students to participate in contests, field days, and German language camps. Their activities included a very successful bake sale, selling stationery, picnics, a trip to Disneyland, and an annual bike ride. Not only did the club enter a homecoming float, but they also went to German places and restaurants to learn more about the German culture.

The President of the club is Lynette Perry. She says, "German Club has been fun this year. We have a lot of really super people in the club."

Mrs. Fletcher is the sponsor of the club. She says, "It is rewarding to see the club members do everything with such enthusiasm. The dancings at *Little Bavaria* provided them with opportunities to meet other high school students once a month. We had good times at outings. In general, there is a great feeling of comradeship!"

Ecology Club

The Kearny Ecology Action Group handles environmental problems facing Kearny and the community. They sponsored the Paper Recycling Project, the Christmas Tree Recycling Project, the Linda Vista Road Bikelane Ribbon Cutting Ceremony, and the Cowles Mountain Hike.

Mr. Thomas, the sponsor of the club, said, "I really enjoyed working with the students this year, especially since we finally got the Linda Vista Bikelane in."

The President of the club was Julie Cordle. When asked about the club, Julie said, "I feel that the Ecology Action Group has accomplished a great deal this year considering the size of the club. I really feel that I've done something for the good of the school and the community through our various projects."

Next year, the club will continue their paper recycling project. Their goal is to have a box in every room of the school for used white paper so the paper can be recycled. This will save the white paper that is now being thrown away.

Marquee Club

The Marquee Club consisted of thirty eight members who took part in mini theaters either acting or setting up the stage.

Besides the mini theaters, the Marquee Club presented a play, "Juno and the Paycock," which was performed prior to the Christmas Holiday. The play was also entered in the Southern California Educational Theatre Association for the High School Theatre Festival. Sean O'Casey portrayed Juno, with Ron Jones, David Horner, Ellen Cohen, Roxanne Hoffert, Emma O'Neal and Marcos Boyd playing major roles in the production.

In January the Marquee club succeeded in putting on a supper theatre. Following a tradition of different acts the club performed a variety show which was preceeded by dinner. Later in the year the club performed "The Twelfth Night" by Shakespeare, following a tradition at Kearny of performing a Shakespearian play in their Spring production.

Advanced Girls Choir

To start off the year, the Advanced Girls Choir performed a mini concert on campus during lunch time which was successful. They also had a very active calender of winter holiday events such as singing at the V.A. Hospital, Mira Mesa Womens Club, and Walker Scotts. The girls sang songs such as Bridge Over Troubled Water, Walk On By, and What Do I See. Besides singing these songs, they also sang Christmas songs such as Sleigh Ride and The Christmas Nightingale.

The choir was also very active in and around the school campus. They entered a float in the Homecoming Parade in which the theme was "Music Makes Miracles".

The group was directed by a former Kearny High School student, Mr. Graeff. The president, Becky Dunsmore, added extra help to make the choir more successful. She quotes, "The Advanced Girls Choir got off to a great start thanks to our new director, Mr. Graeff. We had lots of fun and success with our concerts and performances."

A Cappella Choi

The A Cappella Choir did a great job this year under the direction of Mr. Graeff. He is the first new choral instructor that we have had in 31 years and we can all say that he has done a terrific job. The choir went Christmas caroling to Mission and Fashion Valleys, and to Mercy Hospital. They also had several mini concerts in which they sang such songs as Elijah Rock, Times of Your Life, Movin' On, He Ain't Heavy He's my Brother, Home for the Holidays, Mary had a Baby, Tomorrow Shall Be my Dancing Day, Ave Maria, There's no place like home, and many others. Vocal Ensemble

"Working with the Ensemble has been nothing but pure joy. Each member is an outstanding individual and working with them this year has been a real growth experience for all of us." As quoted by Mr. Graeff, being a member of the Vocal Ensemble is a fulfilling experience. If you look at their activities, you can see why. They went Christmas caroling to Bullocks, the Eastern Star, the Veterans Administration Hospital, the Muscular Dystrophy Organization, Walker Scott in La Jolla, and the Fine Arts Library in La Jolla. Songs highlighting the Christmas season were "Sing Noel", "O Magnum Mysterium", and "Christmas Gift." The Ensemble also sang "Where is the Love", "Lonesome Dove", "Day by Day", and "If I Love You."

In the spring, the Vocal Ensemble participated in festivals sponsored by the school district and the SDCCMEA (San Diego City/County Music Educators Association). Other activities included Holiday parties and bake sales.

AFS

Deddie Lutz Vice President, Tim Ouver, President.

The America Field Service (AFS) was formed to help promote better understanding between American and foreign students.

At club meetings Kearny students got together with the foreign exchange students and related new ideas, while learning of each others lives and customs. Although Kearny had no foreign students from the AFS program this year, exchange students from other programs were welcomed into the club. Whenever the club met, fun was sure to be around!

The presiding offices were: Tim Oliver, President, Debbie Lutz, Vice President, Mary Mansfield, Secretary.

This year, the club had a new sponsor, Mrs. Hurwitz. Having traveled in many European countries, she was a welcome addition to the club. With her help, the club was able to achieve many goals.

Tim Oliver stated "The AFS club was a good club, in that it was a club of friends, people having a good time. I hope next year the club is bigger and better."

"The marching band is a dedicated, hard working group of students. They do a good job and I'm happy to work with them. They even spend some of their own free time practicing for performances." That's what the director, Mr. Norman, says about the band and I'm sure that we can all agree.

In the '76-'77 school year, they played in pep rallies, performed in our halftime shows, and participated in the Autumn Band Review, the Mother Goose Parade, the Oceanside Parade, the Old Town Parade, and the Vista Parade. They decided to bring their music up to the '70's this year by playing disco pieces such as SWAT, The Hustle, Just You and Me, Chamelon, the Theme from Jaws, and various marches.

William Logan was the Drum Major and Angela Happle was the Assistant Drum Major. They both did an excellent job.

Girls League

Girls League Council is an organization which consists of four officers and four girls from each grade. They represent every girl on campus and they provide a place where girls can go to voice their opinions and ideas. The Girls League sponsored a Thanksgiving canned food drive and the Mother-Daughter tea in honor of Mother's Day. They sold beat ribbons during the football season and they also sold Valentines in February. Each month, they selected a Gardenia Girl, the Apple of our Eye, and the staff members of the month.

The officers were as follows: President, Nikki Nicklaus; Vice President, Ruth Klein; Secretary, Kelly Durcan; and Treasurer, Norma Nielson. Nikki says, "Girls League proved to be a successful year and my thanks go to the council for their cooperation and support. To our advisor, "Thanks a Million", it never would have been possible without you!!"

Mr. Hotchkiss is the Girls League sponsor and he says, "Working with sixteen enthusiastic, energetic, and beautiful young ladies has to be both a worthwhile experience and a challenge. The Girls League Council has dutifully and effectively represented all of the girls of Kearny High School."

Symphonic

Symphonic is a musical group open to anyone interested with adequate experience. A majority of the students in the group are sophomores with a few juniors and seniors.

Symphonic plays classical pieces like "Symphony in G minor from Mozart" to Pop Rock, such as "Theme from Jaws." The Symphonic Band alsy played in places outside of San Diego - Carson and Palm Springs to name a few.

For the first time, Kearny's Symphonic Band was invited to the May Time Review in which only 50 schools of California are invited to play. The Band also competed in festivals.

Kearny is fortunate to have for the first time a Jazz Band. In the first year of existence the band has been very active in and around school. They played in the Jazz Ensemble competition in which schools in San Diego decide who has the best band.

The Jazz Band is a group you must audition for, and have about 4 to 8 years of experience.

The band is formed up of nineteen members: Keyboard: Eric Becker, Bass: William McCorkle, Weldon Brown Guitar; Jeff Kranse, Scott Proseus, Drum: John Frazier Trumpet: Brian Koch, Thomas Gills, John Vigil, Charles Webb, Trombone: Dave Phillip, Bernie Sannicolas, and Jeff Richardson, Alto Sax: Kevin Gunning, Deborah Henson, Tenor Sax: Waltor Love, Montellano Anthony, and Brett Dunclas, Bari Sax: Mark Martinez.

String Ensemble

The String Ensemble did very well this year. They performed pieces such as "Concerto in A Minor", "The Twelfth Mass", "Concerto Bernardi", "Nadia's Theme", "Jaws", "Homage to Handel", "The Candy Man", "M.A.S.H.", "For All We Know", and many others. These pieces were performed at the Winter and Spring Concerts and in a series of mini concerts. Mr. Norman says, "I think that I have a very fine group of musicians. I think they should be rated superior at the District Festival."

The Representatives were Sue Smith and Angelo Jordon. Sue liked performing the song "Jaws" and riding the piano around school. Angelo remembers getting yelled at, knowing they were the hottest group in school, and getting pictures taken in the rain.

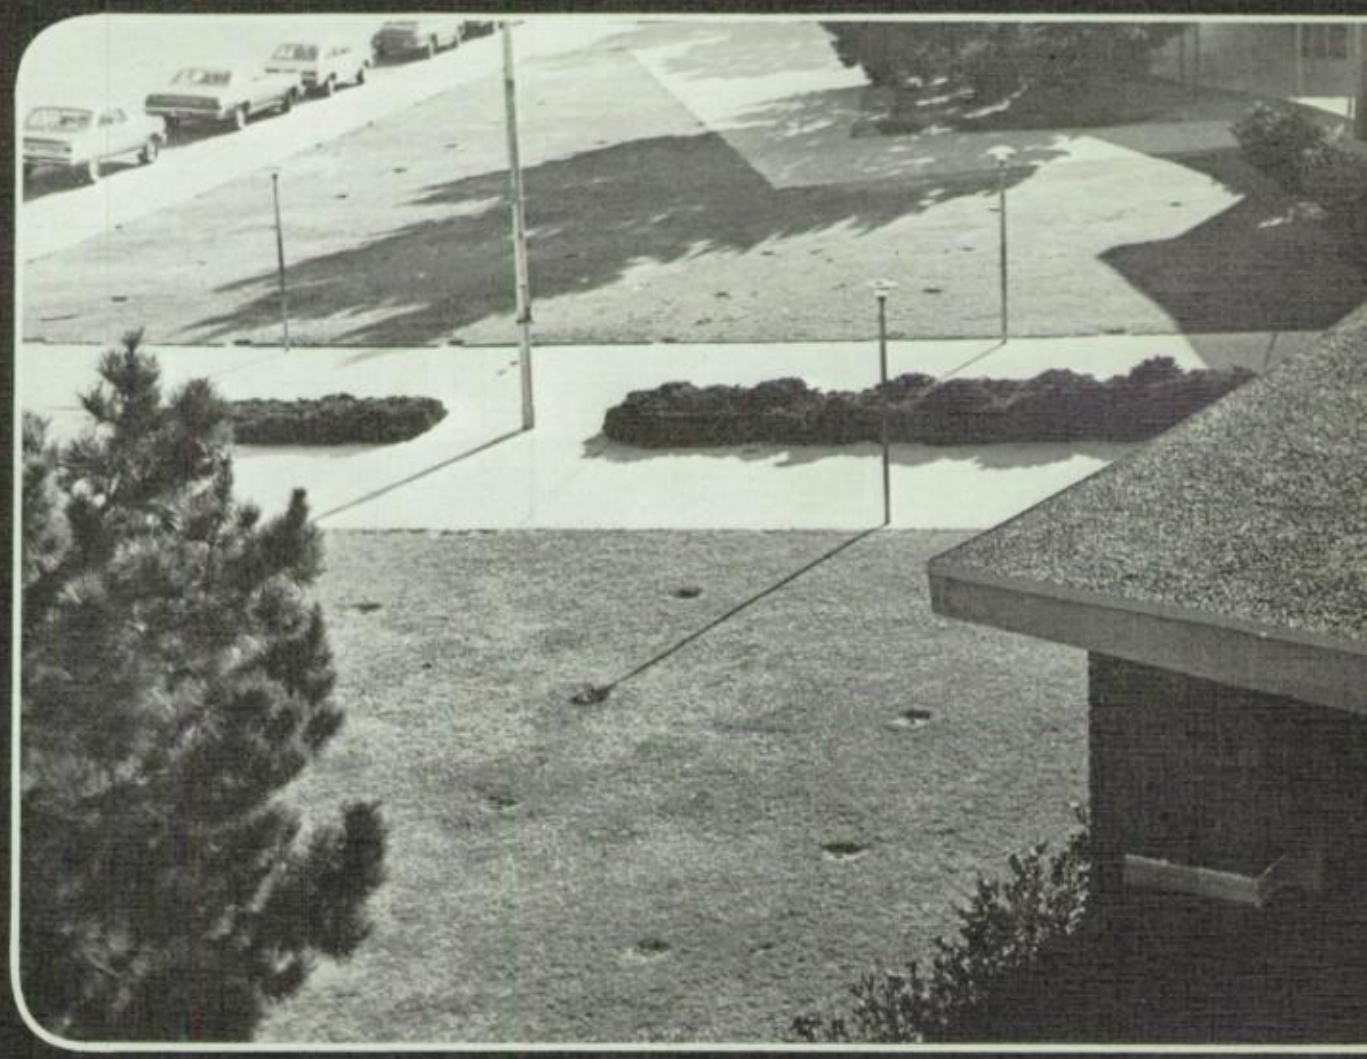
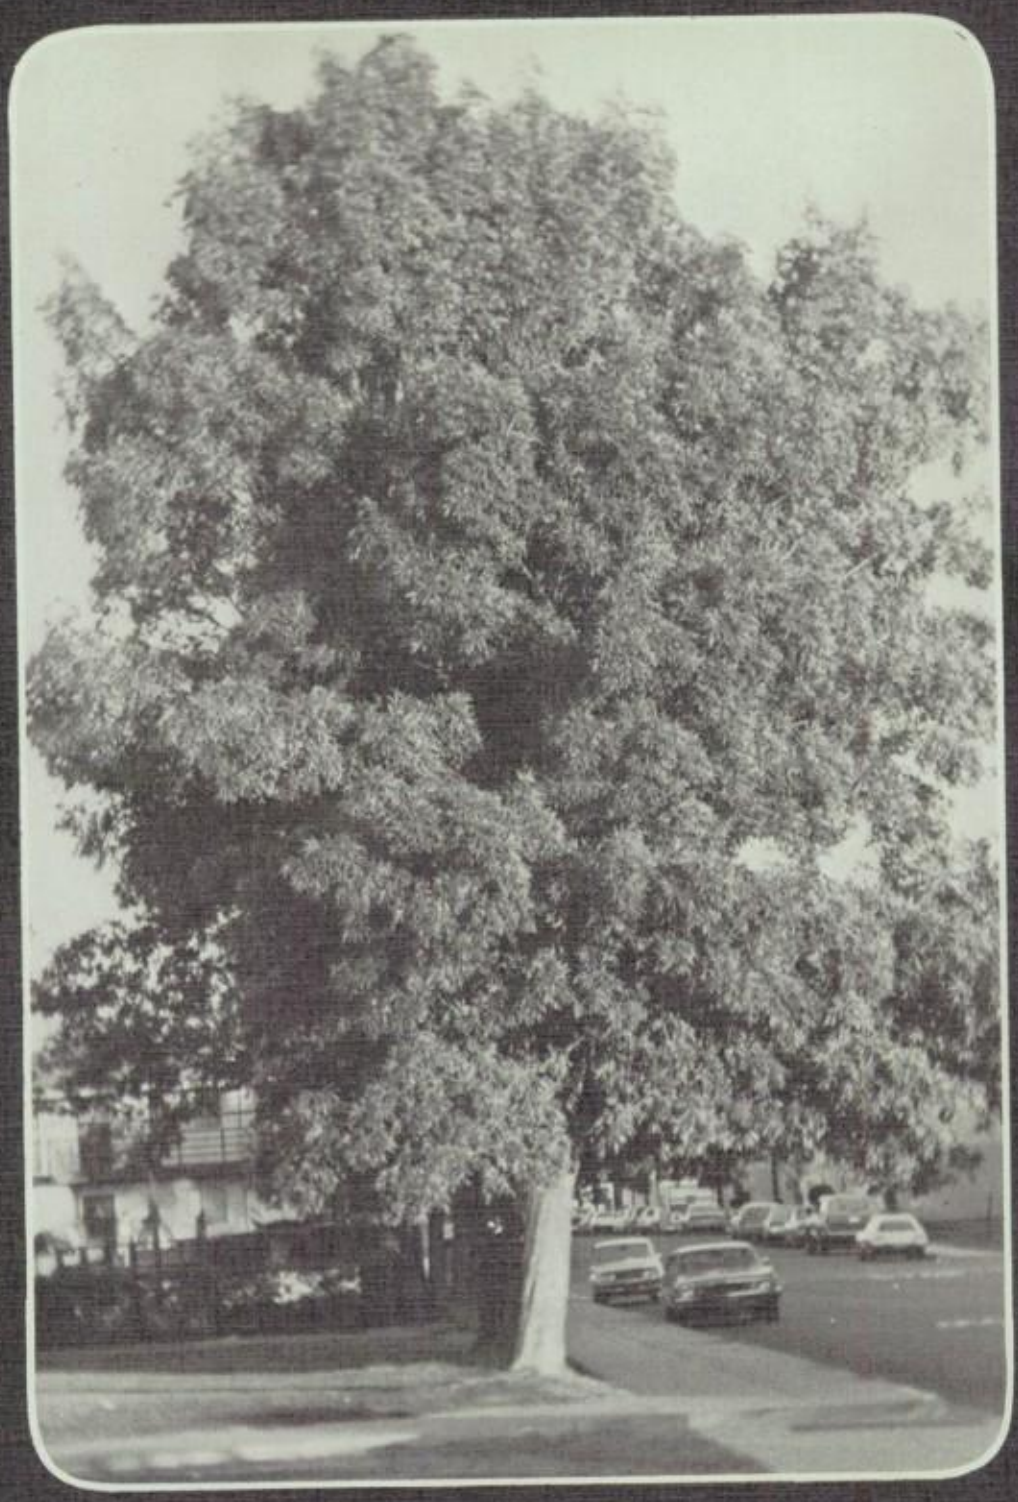
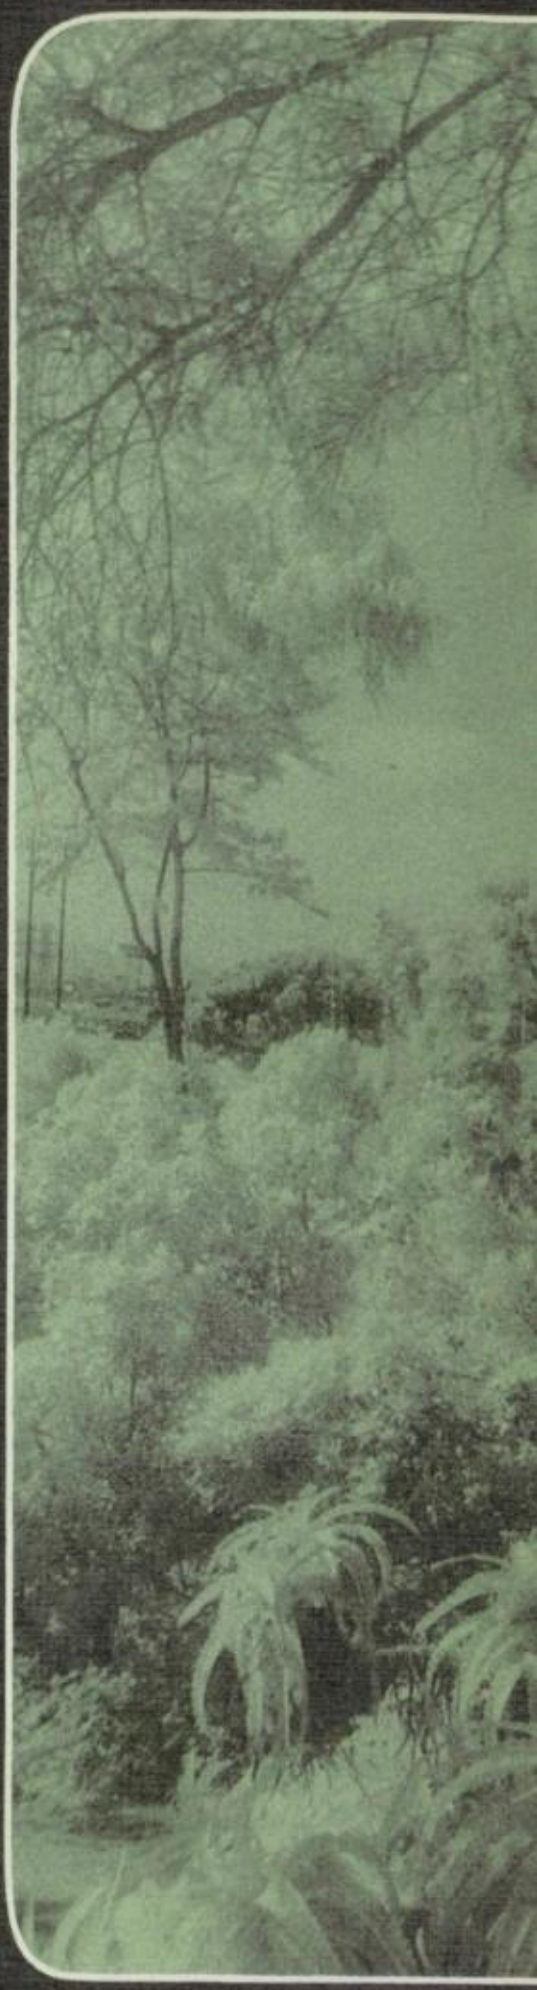
You are what
You think you are. . .
All day long!

KEARNY
KOMET KOUNTRY





All Hail to Alma Mater,
We praise thy noble name.
There'll never be another
Whose faith we'll all proclaim.
Thy memories we'll cherish
Though years go by
So hail our school forever
Kearny Senior High.



Have you ever wondered
What it would be like
To be as one with nature?
Not just to be surrounded by it -
You always are -
But to actually feel a part of it?
It's a fantastic feeling.
Too often, we try to control nature,
And change it to suit our needs,
Instead of trying to live with it as it is.

Julie,

At first I had a feeling that you were really rowdy & couldn't stand me. But after I got to know you I realized what sweet babe you are. You always smile & laugh, & make other people laugh too. Always remember the Christmas party, the Valentine's Day dance, the Prom, graduation, & all the good times we've had in class. Keep in touch & I'll see you around. Have a great summer & I hope you have a great year next year. Stay cool & keep smiling.

Always,

Dear Julie--
You have a winning smile, a winning personality -- now, if you'll just put that mind to work, you'll be a real winner. Good luck.

You don't see your self as others see you. I see a beautiful person inside & out. Keep that beautiful smile on your face and you will go far.

Julie,

It's been nice knowing you. Same ol' thing everyone always writes ☺ Remember swimming? We'll always remember Mrs. Carson's class. We were so RUDE! Oh Well, wish I had more time to write.
